

BUZ 
METALLURGICA ZI

2019-2020

METALLURGICA BUZZI has been manufacturing steel wire items for garden and home for over 40 years. The company has developed from a small artisan factory and it is now an important production site well known for its professionalism and experience.

Our customers are a valuable asset for us and to meet their needs we do our best to offer high quality products manufactured with reliable products, 100% made in Italy. Sensitivity to market trends and affordable high-quality are the key to our success. We offer a full range of items for garden and home: pot holders, flower stands, plant displays, movers, greenhouses, trellises, weathervanes, drying racks, bathroom shelves, candle holders ... and more. All our products are designed in a linear and modern shape, not forgetting the traditional Italian design, making them suitable for home and garden decoration.

METALLURGICA BUZZI is committed to minimizing the impacts of its products on the environment by using 100% recyclable products from guaranteed and certified sources.

THE COMPANY

TECHNICAL DATA
Plastic coated steel wire structure
Colours: Black – Green.

FIX

A modern and elegant design for a line of products whose features are strength and functionality. Treatments and tooling assure high resistance to weather and long lasting bright colours.
